

## Oscilloscope Measurement Screenshots/Verify Phenomena

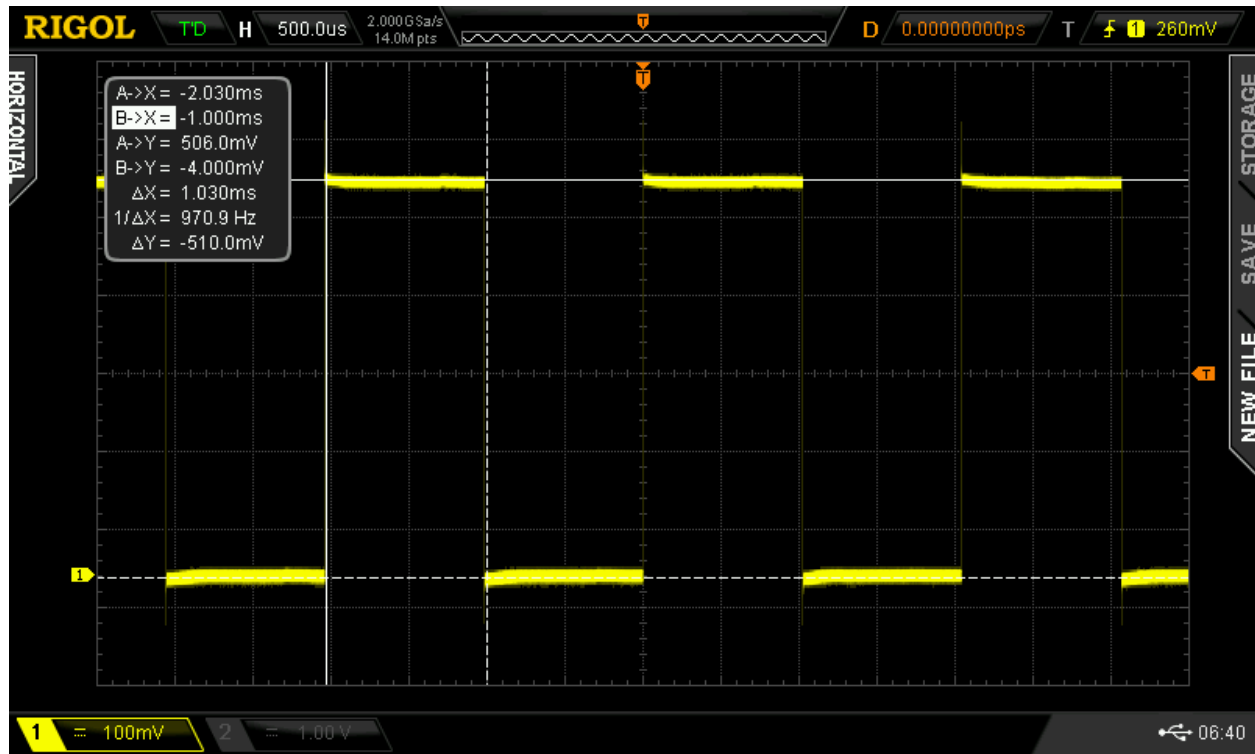

### AC Noise from Arduino Mega 3.3V Power Rail

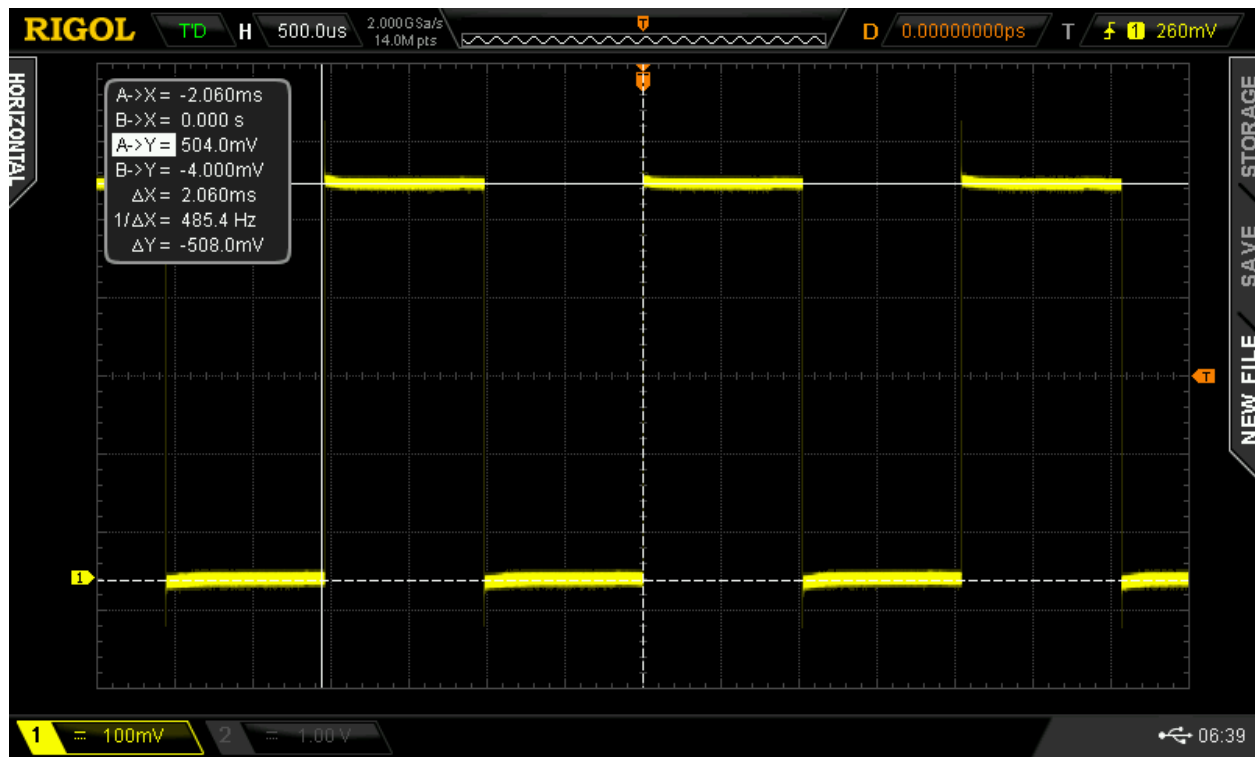

### AC Noise from Arduino Mega 5V Power Rail

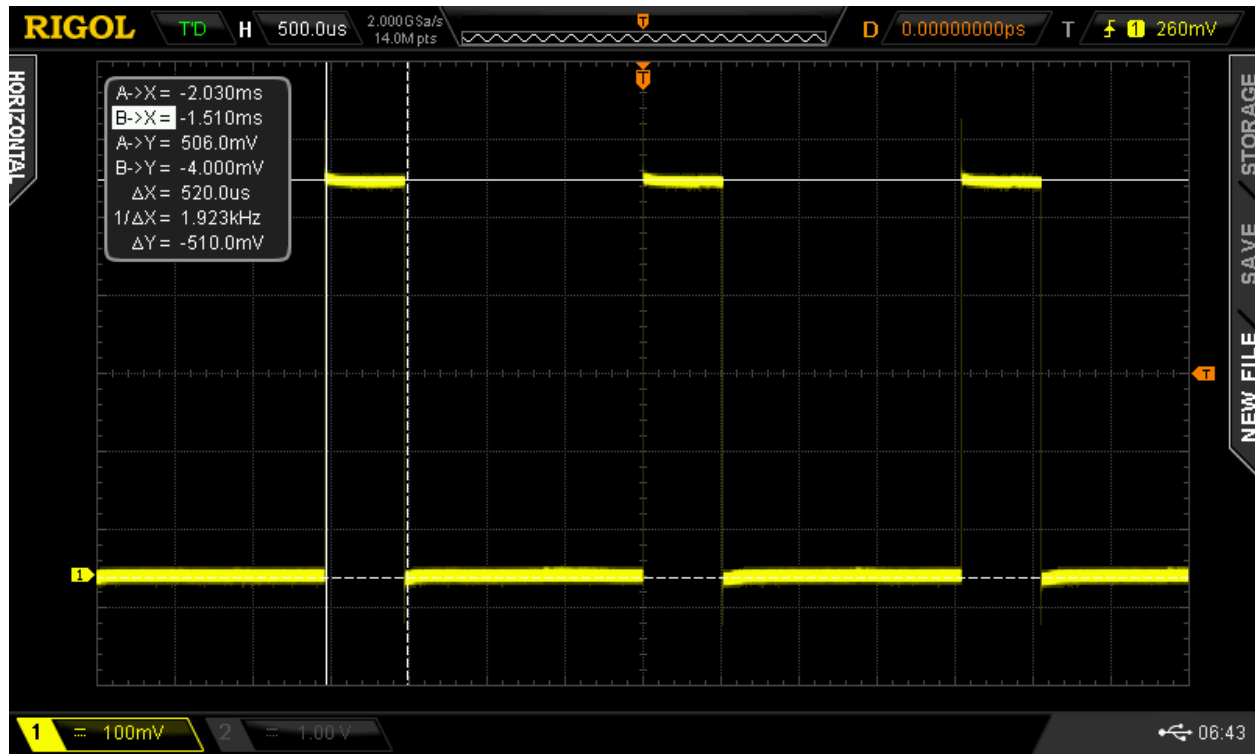

### Pulse-Width Modulation Measurement 50% Duty Cycle – On-Time

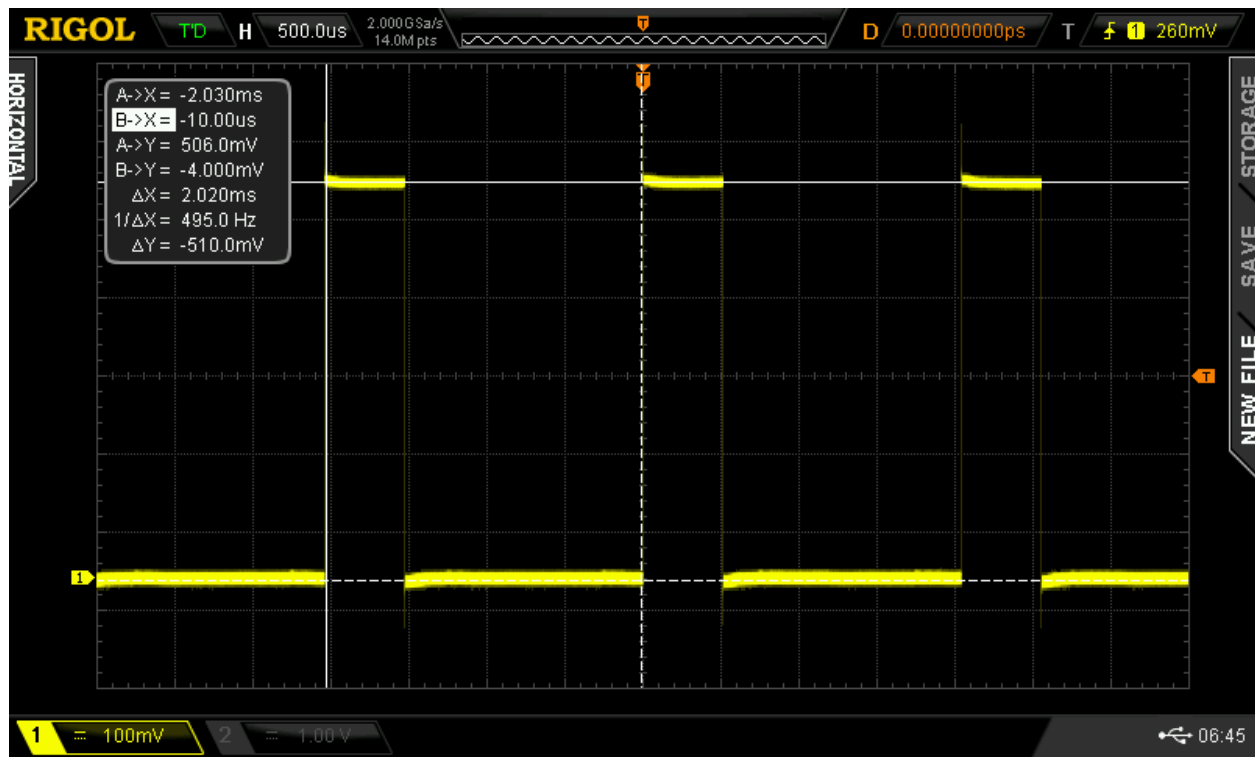

### Pulse-Width Modulation Measurement 50% Duty Cycle – Period

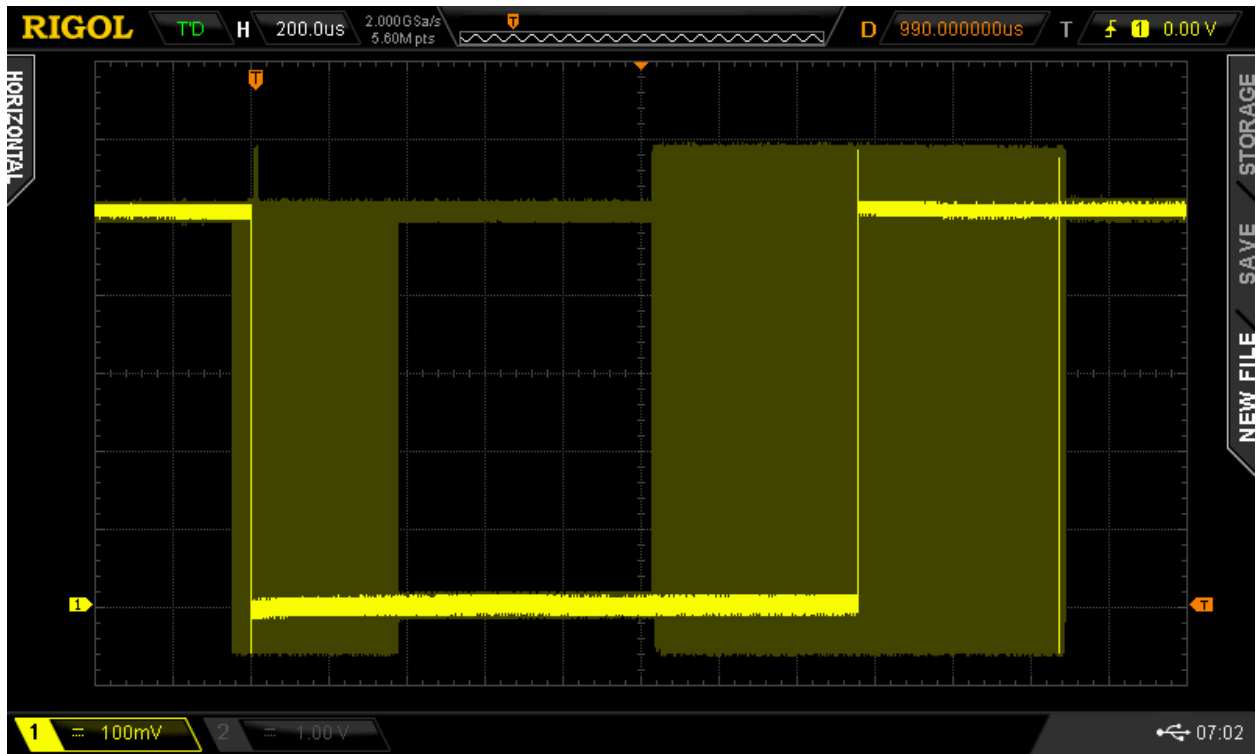

### Pulse-Width Modulation Measurement 25% Duty Cycle – On-Time

### Pulse-Width Modulation Measurement 25% Duty Cycle – Period

### Infinite Persistence Measurement

### Infinite Persistence Measurement 2
